# BEYOND THE SEA

## THE WONDER OF THE AREA TO BE DISCOVERED

The territory hosting the first European Challenge of Coastal Rowing does not offer only a splendid sea.

Long stretches of vineyard make our landscape unique. Grown in the lands of Castagneto, are transformed into high quality wines known all over the world.

They are the most authentic expression of what our land is: heterogeneous soils and maritime climate become the finest bottles you can taste.

Beyond the sea, you will have the opportunity to get lost among various wineries that make our land a unique place.
