- Masters races are raced without heats and therefore as finals: 1x and 2x are raced on Saturday, 4x and 8+ are raced on Sunday.
- If there are **more than 18 entries** for a race, the **heats will be held as a time trial.** Alternate starts on 2 lanes at 30 second intervals.

Empacher-Youthcup 2023

The club with the youth team with the most overall points according to the criteria below will be awarded. The scoring results from the 33 races marked with "*" (all U13, U15, U17, U19 races, see table on page 2).

The points classification is composed of start points and performance points:

- **Start points:** for each athlete competing in a final race the club receives 1 point (incl. coxswains).
- **Performance points:** see table below

Entries*	2	3	4	5	6	7	≥ 8
1. 1 st place	2	3	4	5	6	7	8
2. 2 nd place	0	1	2	3	4	5	6
3. 3 rd place	-	0	1	2	3	4	5
4. 4 th place	-	-	0	1	2	3	4
5. 5 th place	-	-	-	0	1	2	3
6. 6 th place	-	-	-	-	0	1	2
7. 7 th place	-	-	-	-	-	0	1
8. 8 th place	-	-	-	-	-	-	0
> 9 th place	-	-	-	-	-	-	-

** The number is determined by the number of boats starting in one boat class over all finals on Sunday.

Mixed Club Crews: Each club within the Crew receives the number of starting points of the starting athletes belonging to the club (incl. coxswains) and the full number of performance points of the won placing (see table; e.g. Performance points: Mixed Crew AB wins a race with 6 starting boats and is composed of athletes from club A and club B: both club A and club B receive 6 points). If a racing group is registered as an association, this association receives the points, the decisive factor is the registered team name. Mixed Crews in U13 and U15 are not allowed.

Note: Points will only be awarded if the team competes in both the preliminary race / heat (on Saturday) and the final race (on Sunday).

Prize: The club with the most total points (start and performance points added) will receive the **Empacher Youth Cup** and a **cash prize**. The payment will be made to the authorized entrant or team manager.
